

Congrats to our Pro Cooperative grain locations that had record grain receipts from 2021's harvest! Geoff, Pro's Grain Manager, presented awards to the teams from this past fall throughout the month of March. Congrats to the many locations with record corn and soybean receipts! We hope to break many records again this year!

Soybeans:

Gilmore City - previous record in 2016

Pocahontas - previous record in 2009

Havelock - previous record in 2016

Terril: previous record in 2016

Both the Corn and Soybean Record was broken in **Rutland!**

Soybeans - previous record in 2020

Corn - previous record in 2019

Corn:

Rolfe: previous record in 2016

Anhydrous Handled:

Another big shout out to the Havelock team! They loaded a record number of fall anhydrous. They handled 1292 tons. Dana presented the team with their award in mid-February. Nice job, team!
